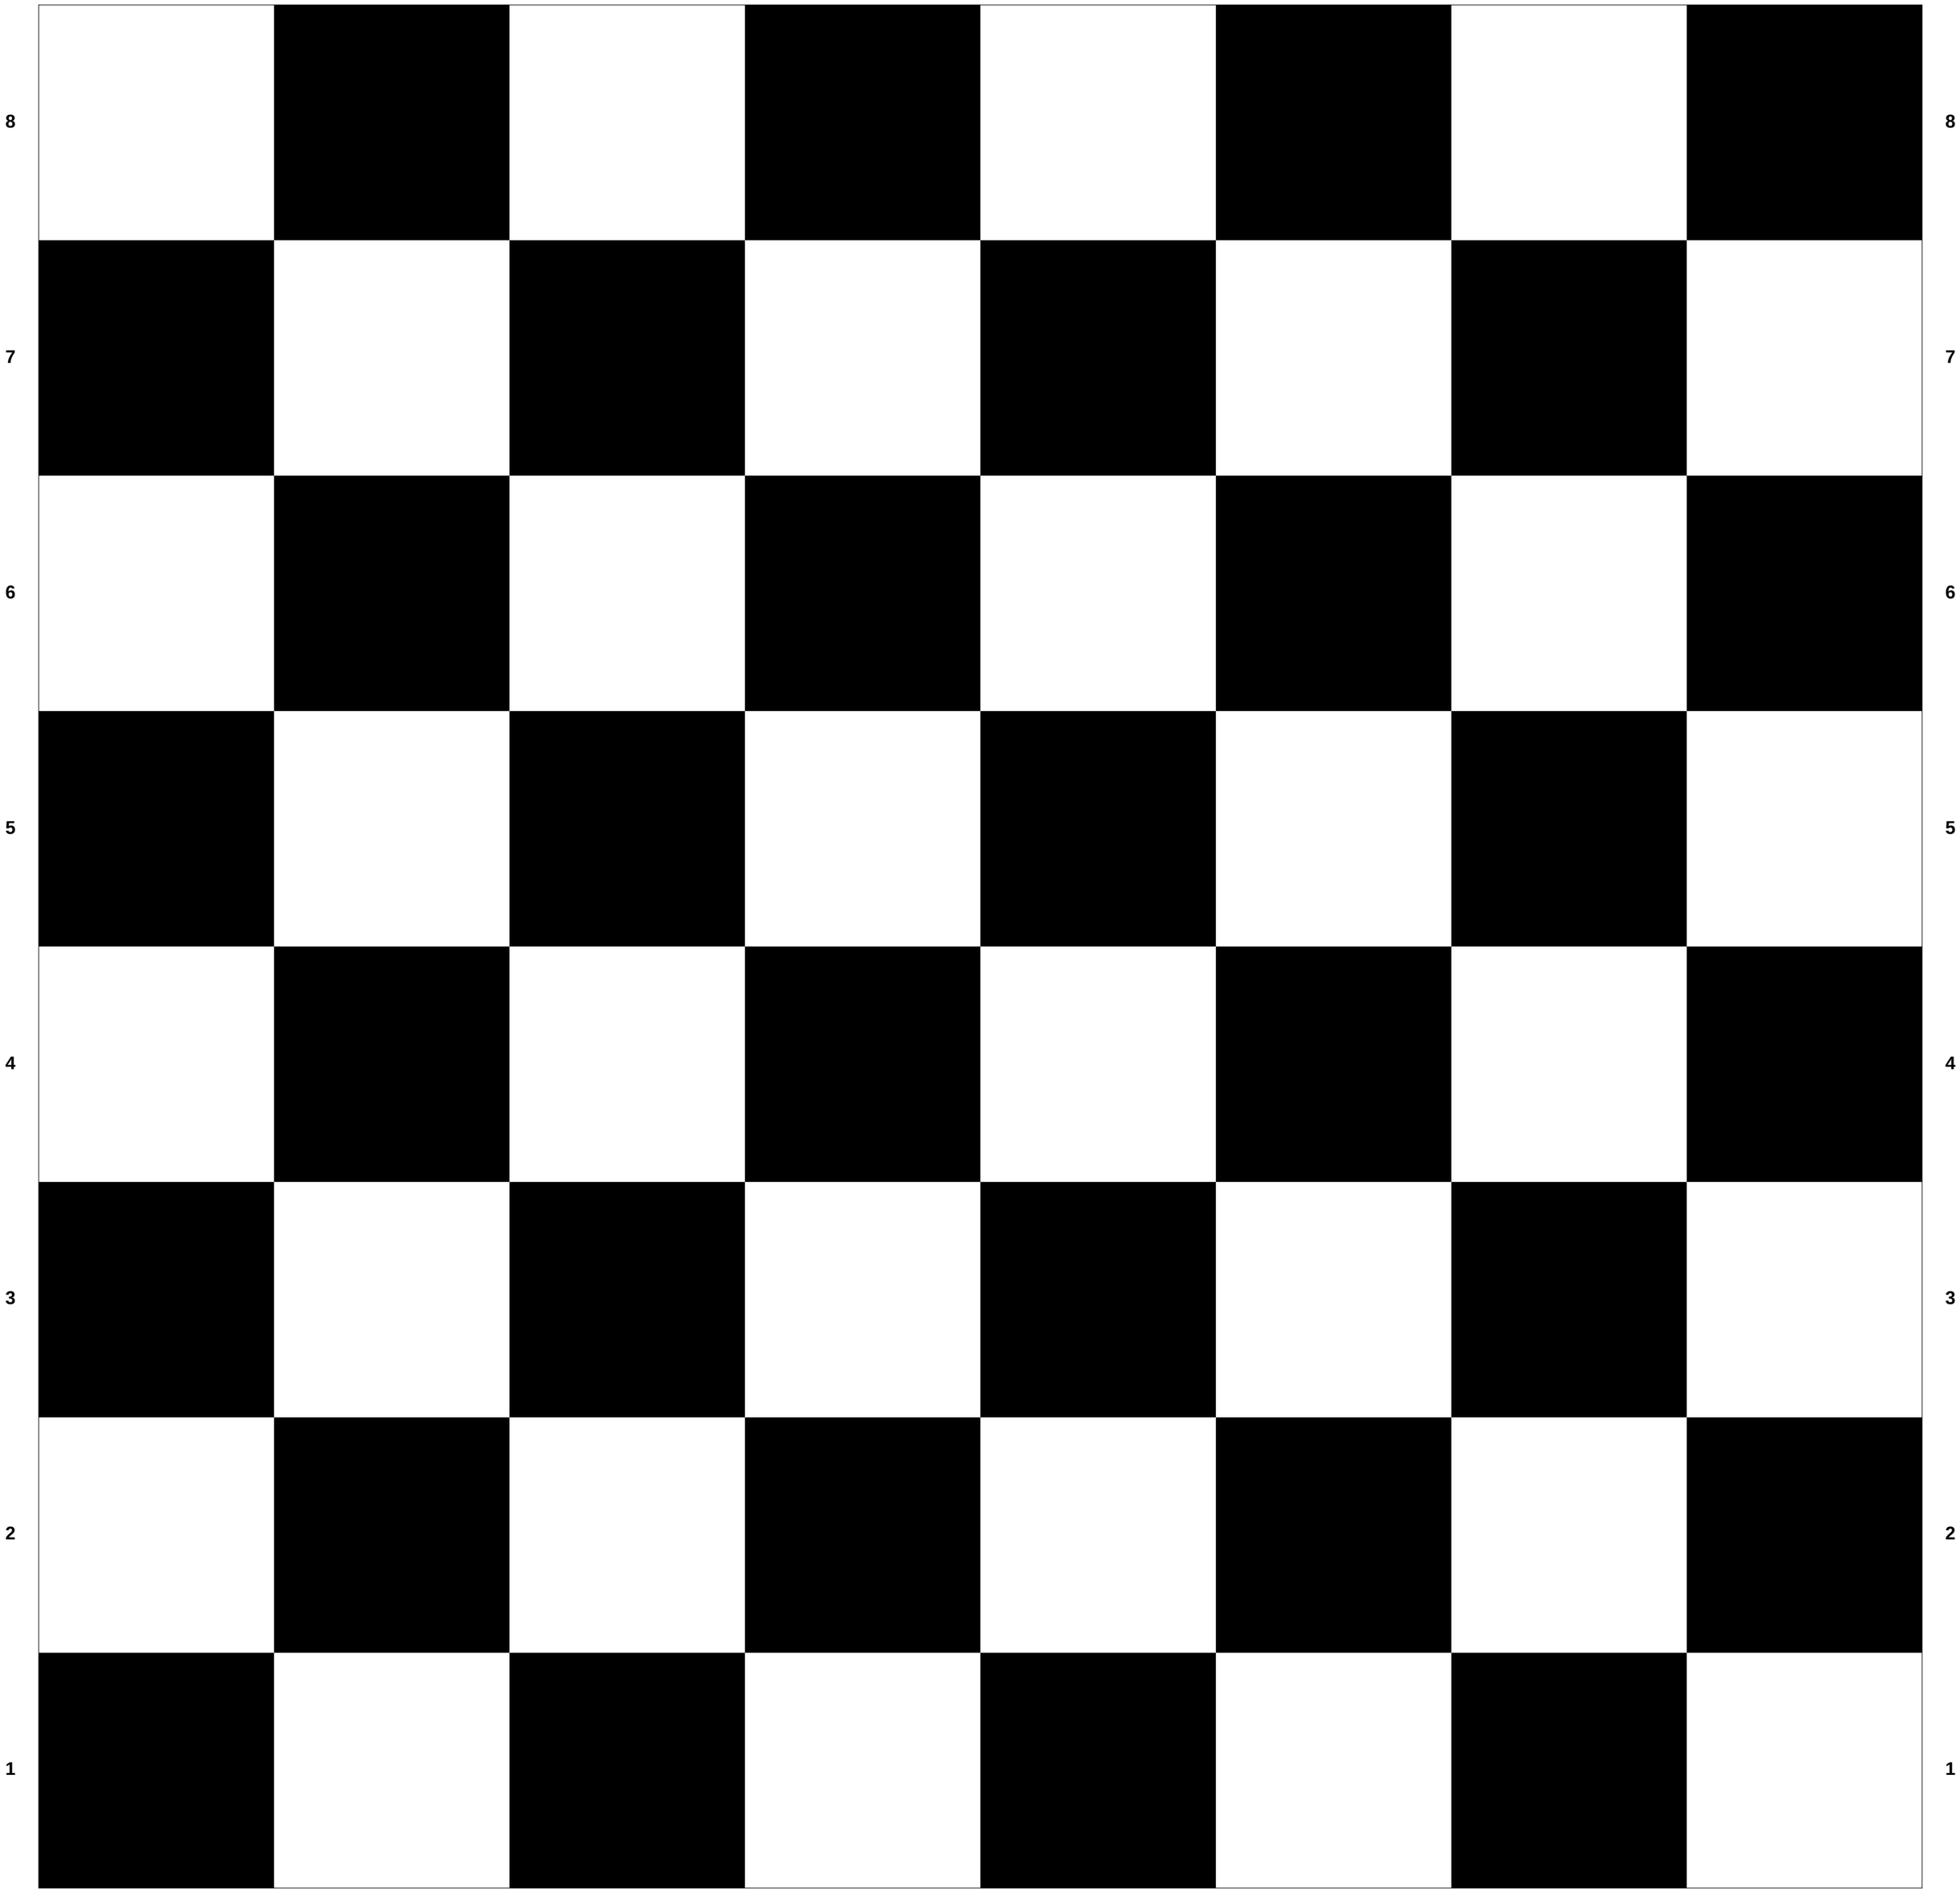
CHESSBOT | 400 x 400 mm | 50 mm squares

Print at 100% / Actual size. Disable Fit / Shrink. All labels are outside the playing area.



WHITE SIDE | a1 dark / h1 light | Flat matte mounting recommended

100 mm scale check

CHESSBOT / PRINT & ASSEMBLY

Playing area: 400 x 400 mm. Each square: 50 x 50 mm.

Choose one printing route

Large-format shop: print page 1 only, at Actual size / 100%.

Page 1 is 440 x 440 mm including margins; use A1 or custom stock.

Do not fit page 1 onto A4 or A2 paper.

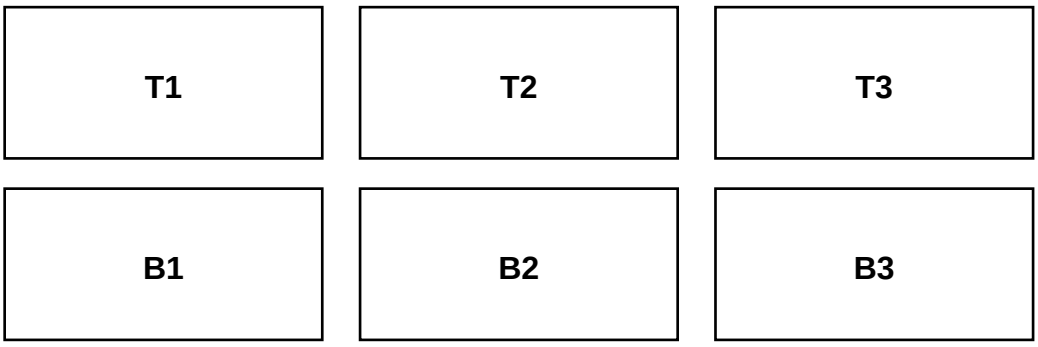
Home / lab printer: print pages 3-8 only on A4 portrait, single-sided.

Select Actual size / 100%. Disable Fit, Shrink, and booklet modes.

Assemble the six tiles

Trim each sheet to the dashed 160 x 230 mm rectangle.

Arrange the tile IDs as shown below, with TOP arrows facing up.



Adjacent tiles overlap by 20 mm; match the repeated square edges.

Overlap the tiles. Do not place the trimmed edges edge-to-edge.

Tape the back and mount flat. Avoid glossy lamination for camera tests.

Verify before testing

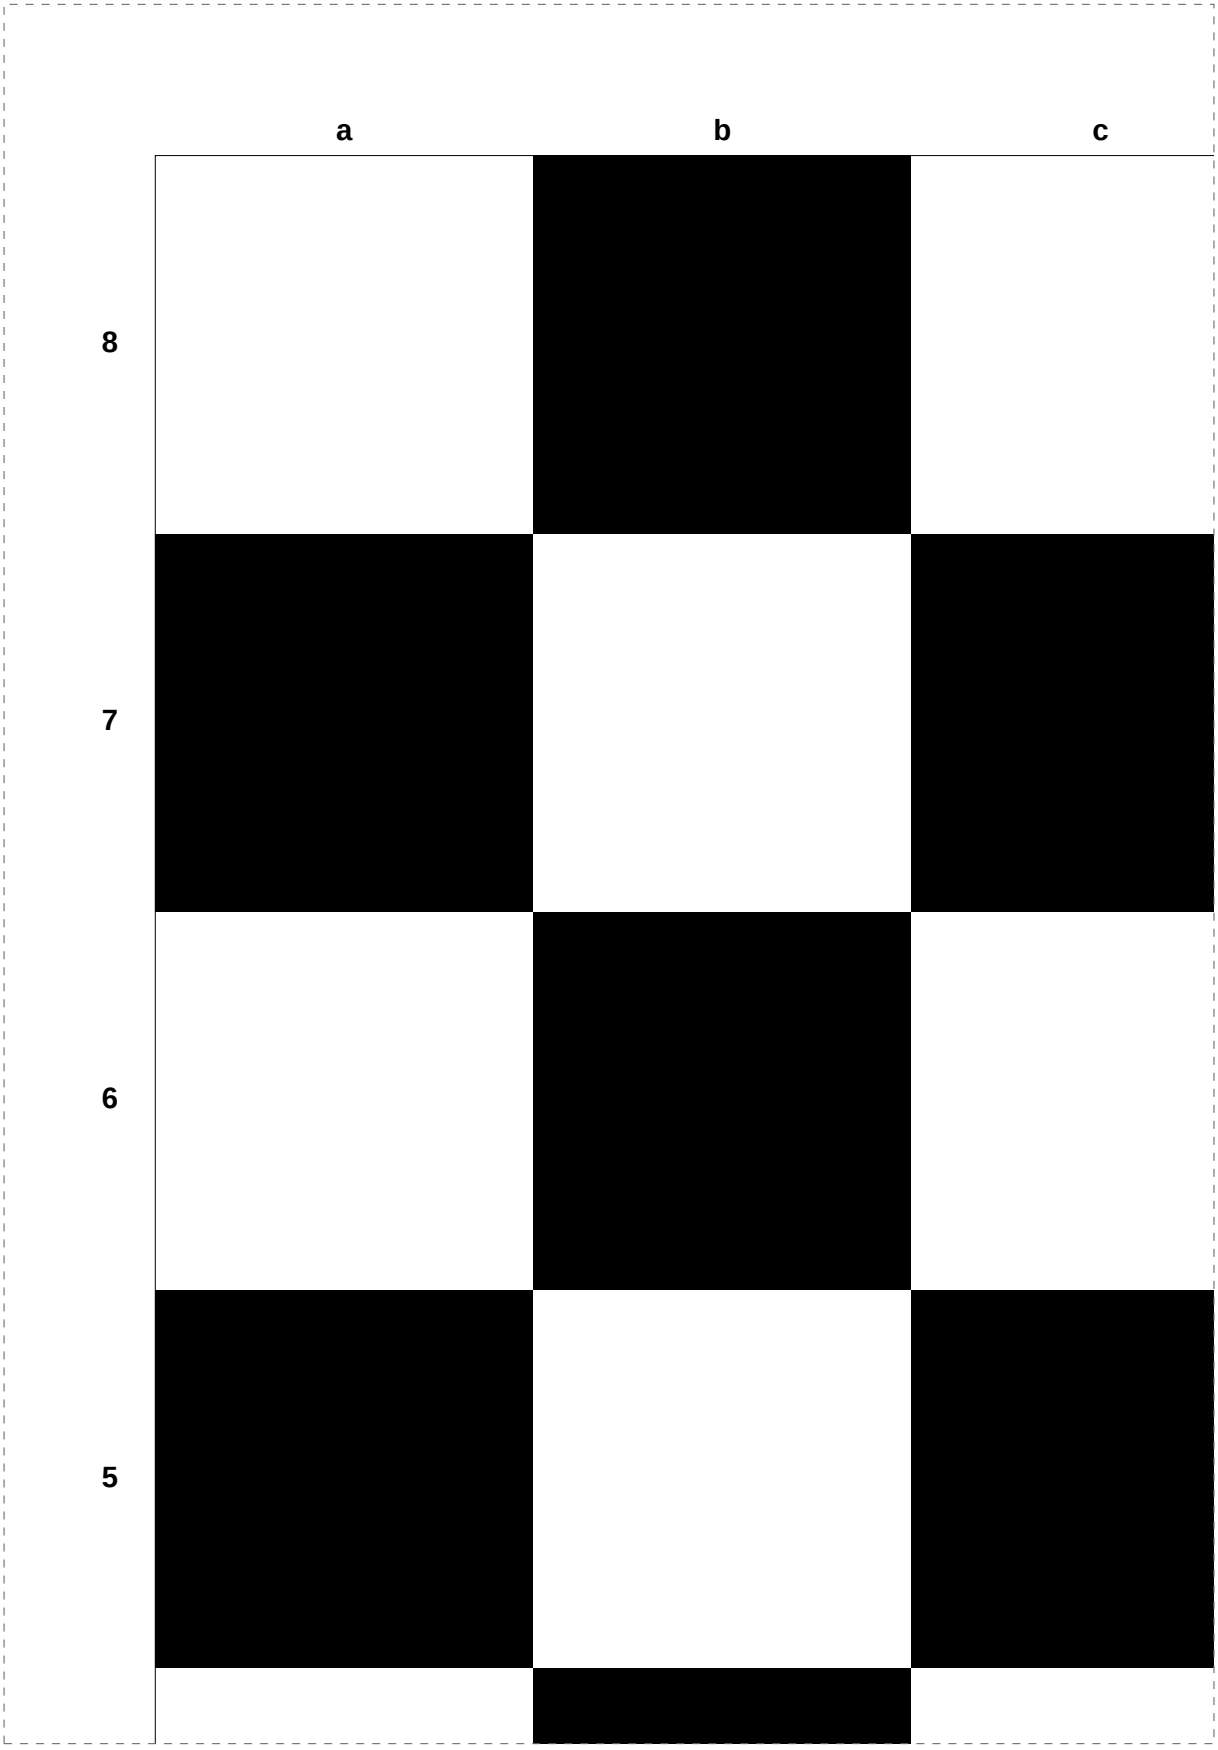
Measure a square: 50 mm. Measure the full playing width: 400 mm.

Check the 100 mm ruler on the assembled lower border.

From the white side: a1 is dark and h1 is light.

CHESSBOT / TILE T1 / TOP ^

A4 portrait | Actual size / 100% | No Fit / Shrink



Trim dashed border; overlap matching tiles by 20 mm.

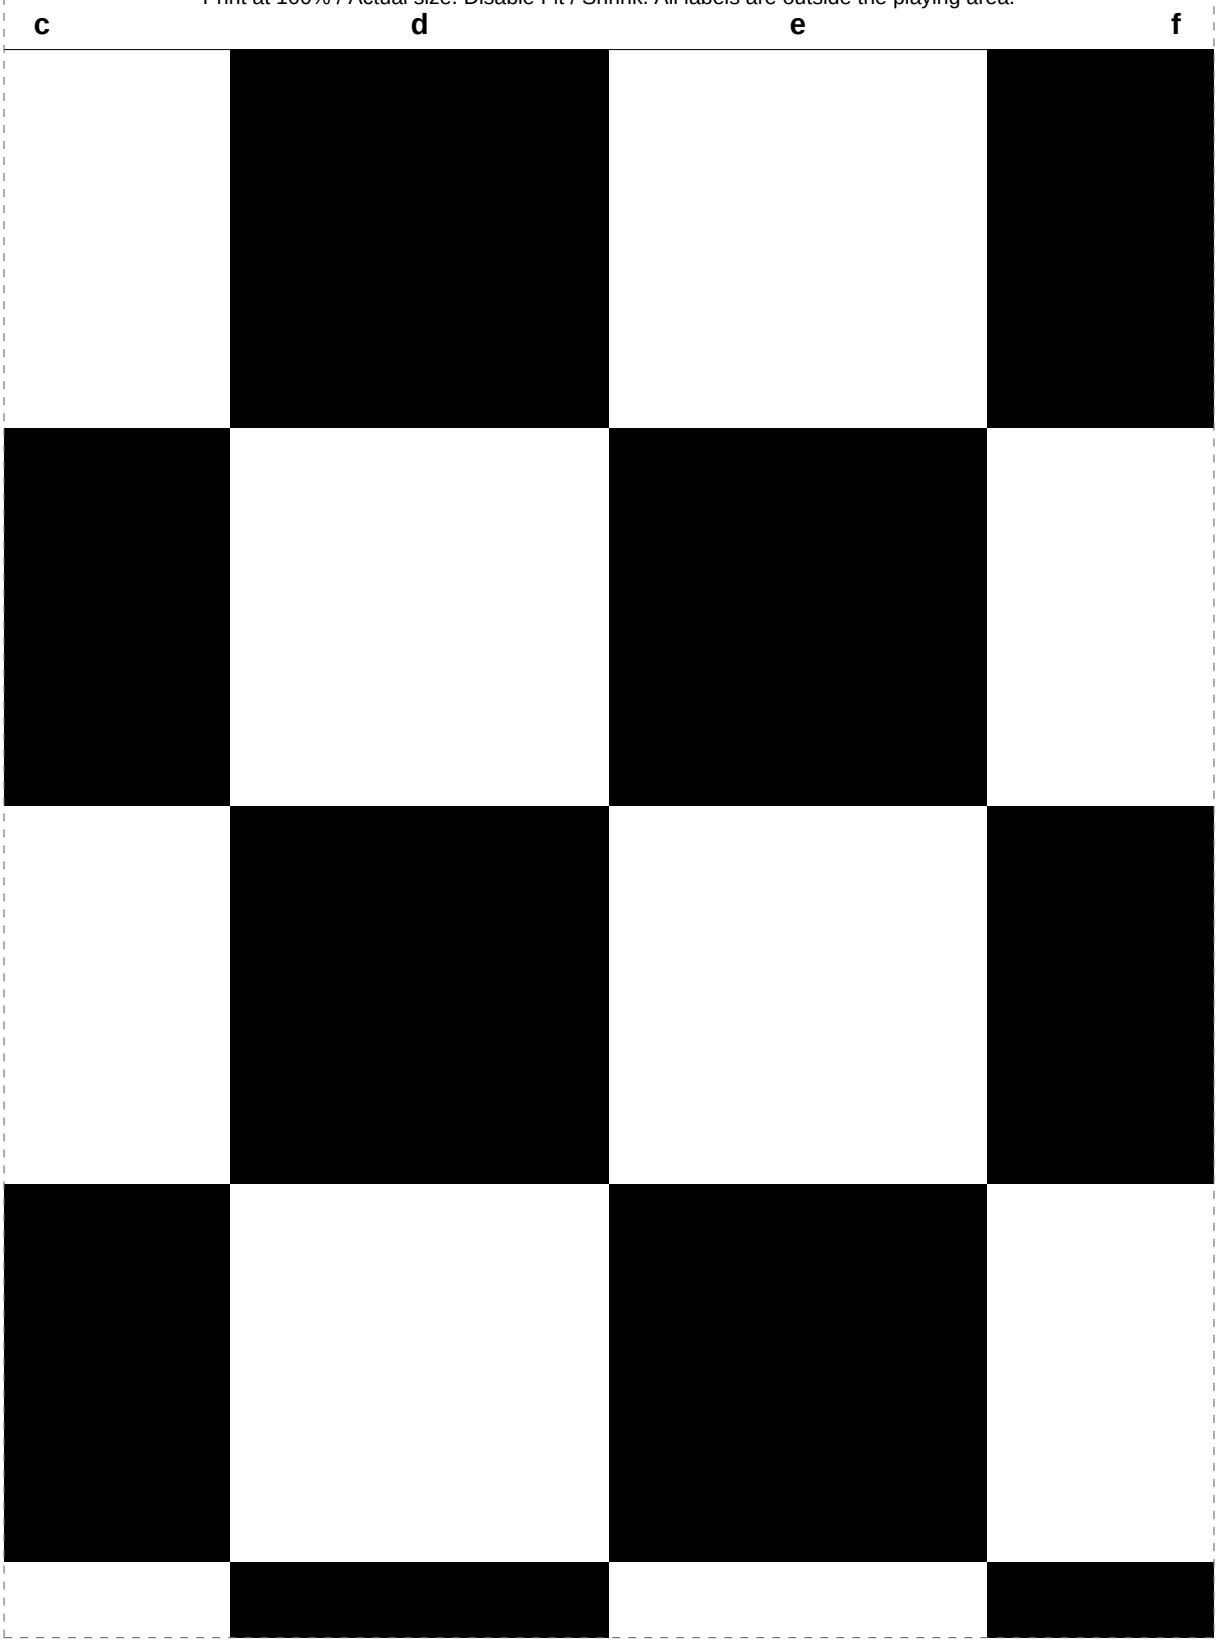
Use assembly map on page 2. Verify a square measures 50 mm.

CHESSBOT / TILE T2 / TOP ^

A4 portrait | Actual size / 100% | No Fit / Shrink

CHESSBOT | 400 x 400 mm | 50 mm squares

Print at 100% / Actual size. Disable Fit / Shrink. All labels are outside the playing area.

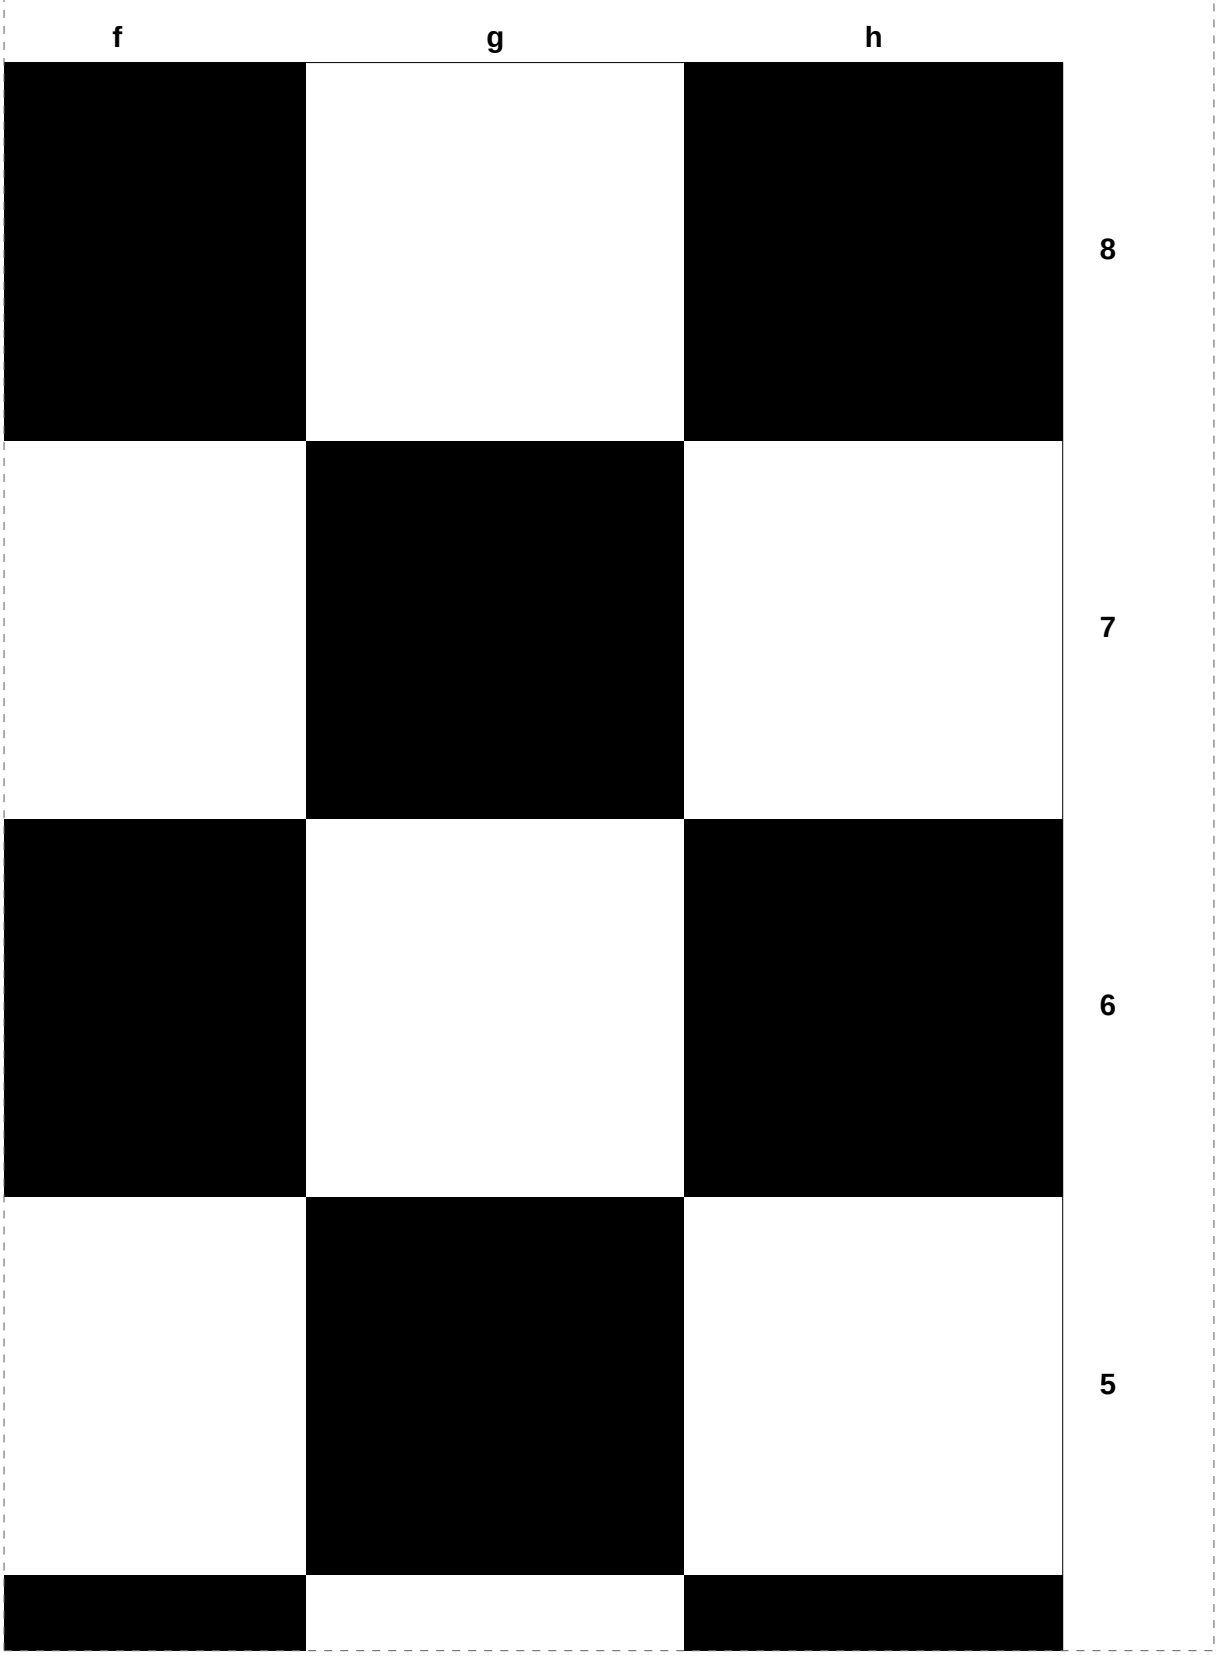


Trim dashed border; overlap matching tiles by 20 mm.

Use assembly map on page 2. Verify a square measures 50 mm.

CHESSBOT / TILE T3 / TOP ^

A4 portrait | Actual size / 100% | No Fit / Shrink

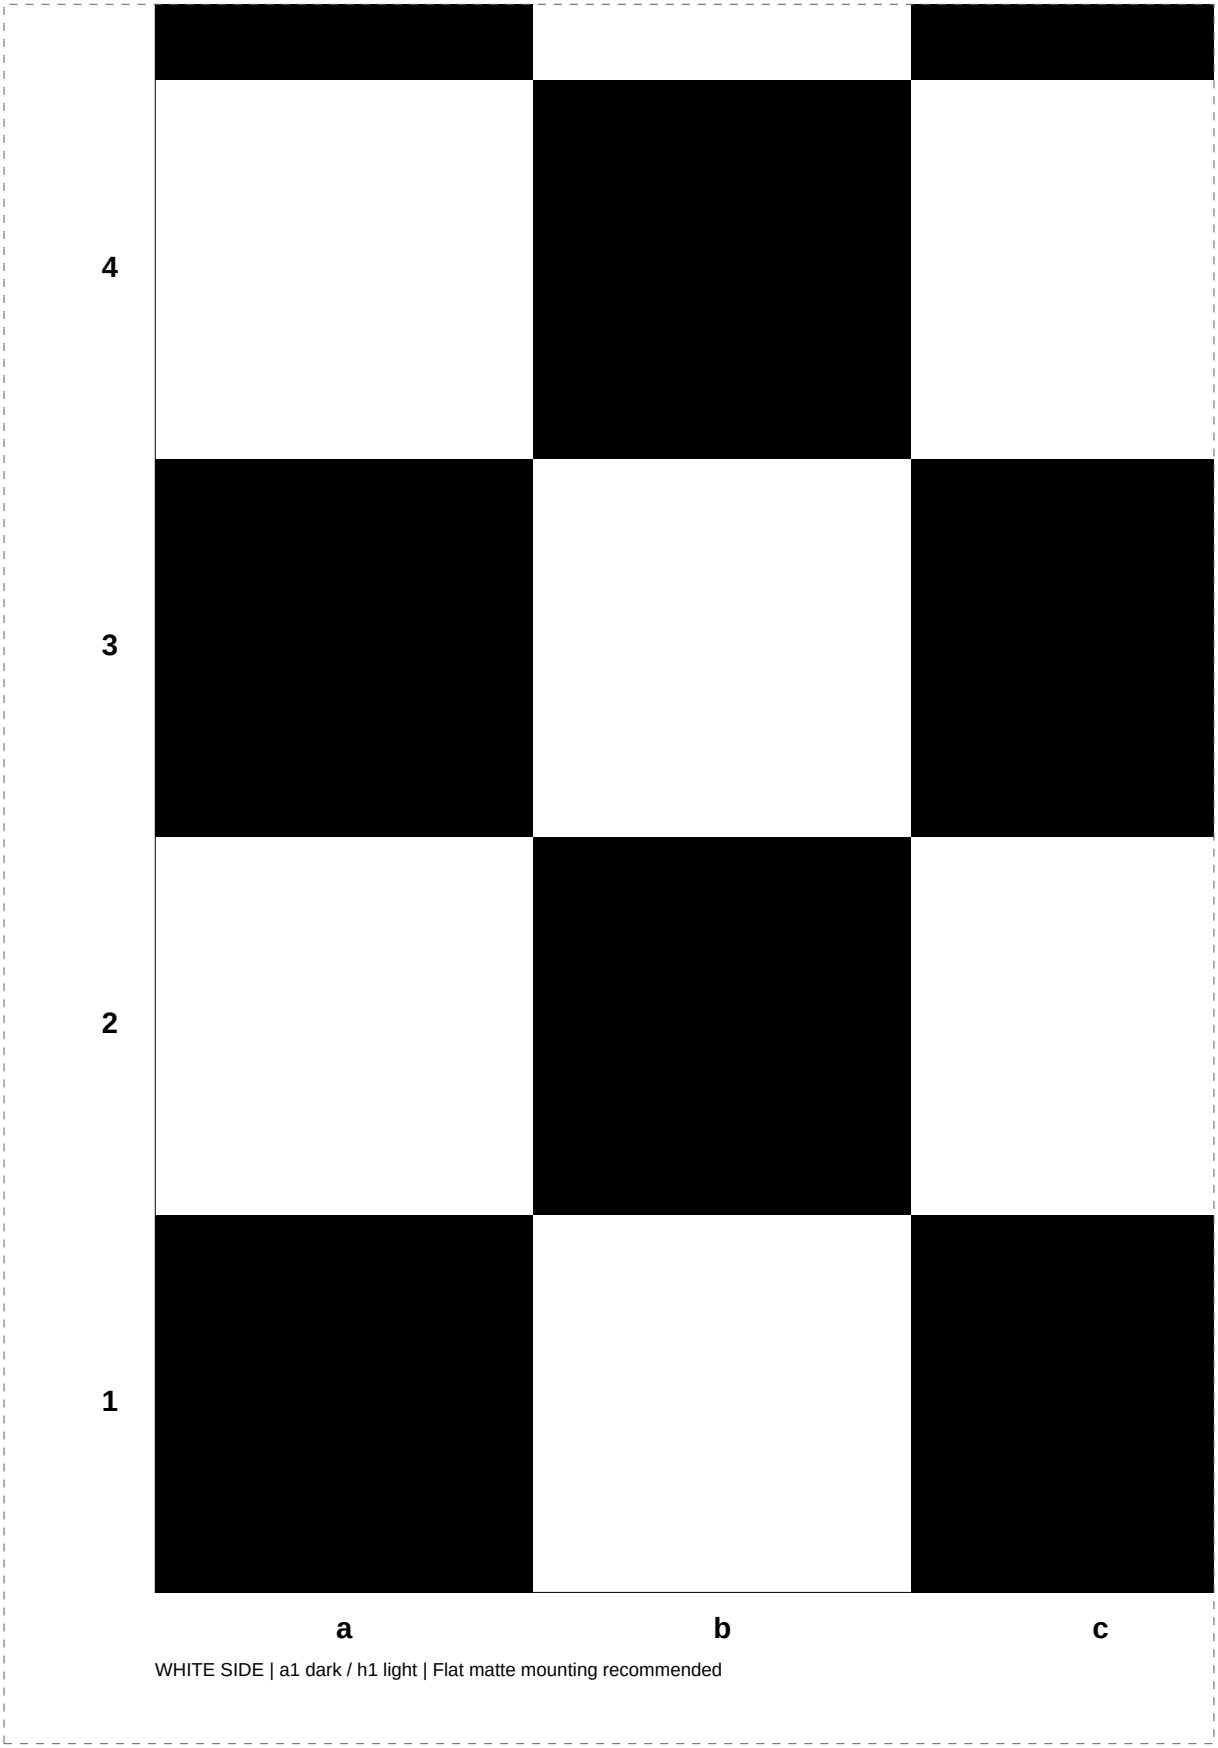


Trim dashed border; overlap matching tiles by 20 mm.

Use assembly map on page 2. Verify a square measures 50 mm.

CHESSBOT / TILE B1 / TOP ^

A4 portrait | Actual size / 100% | No Fit / Shrink



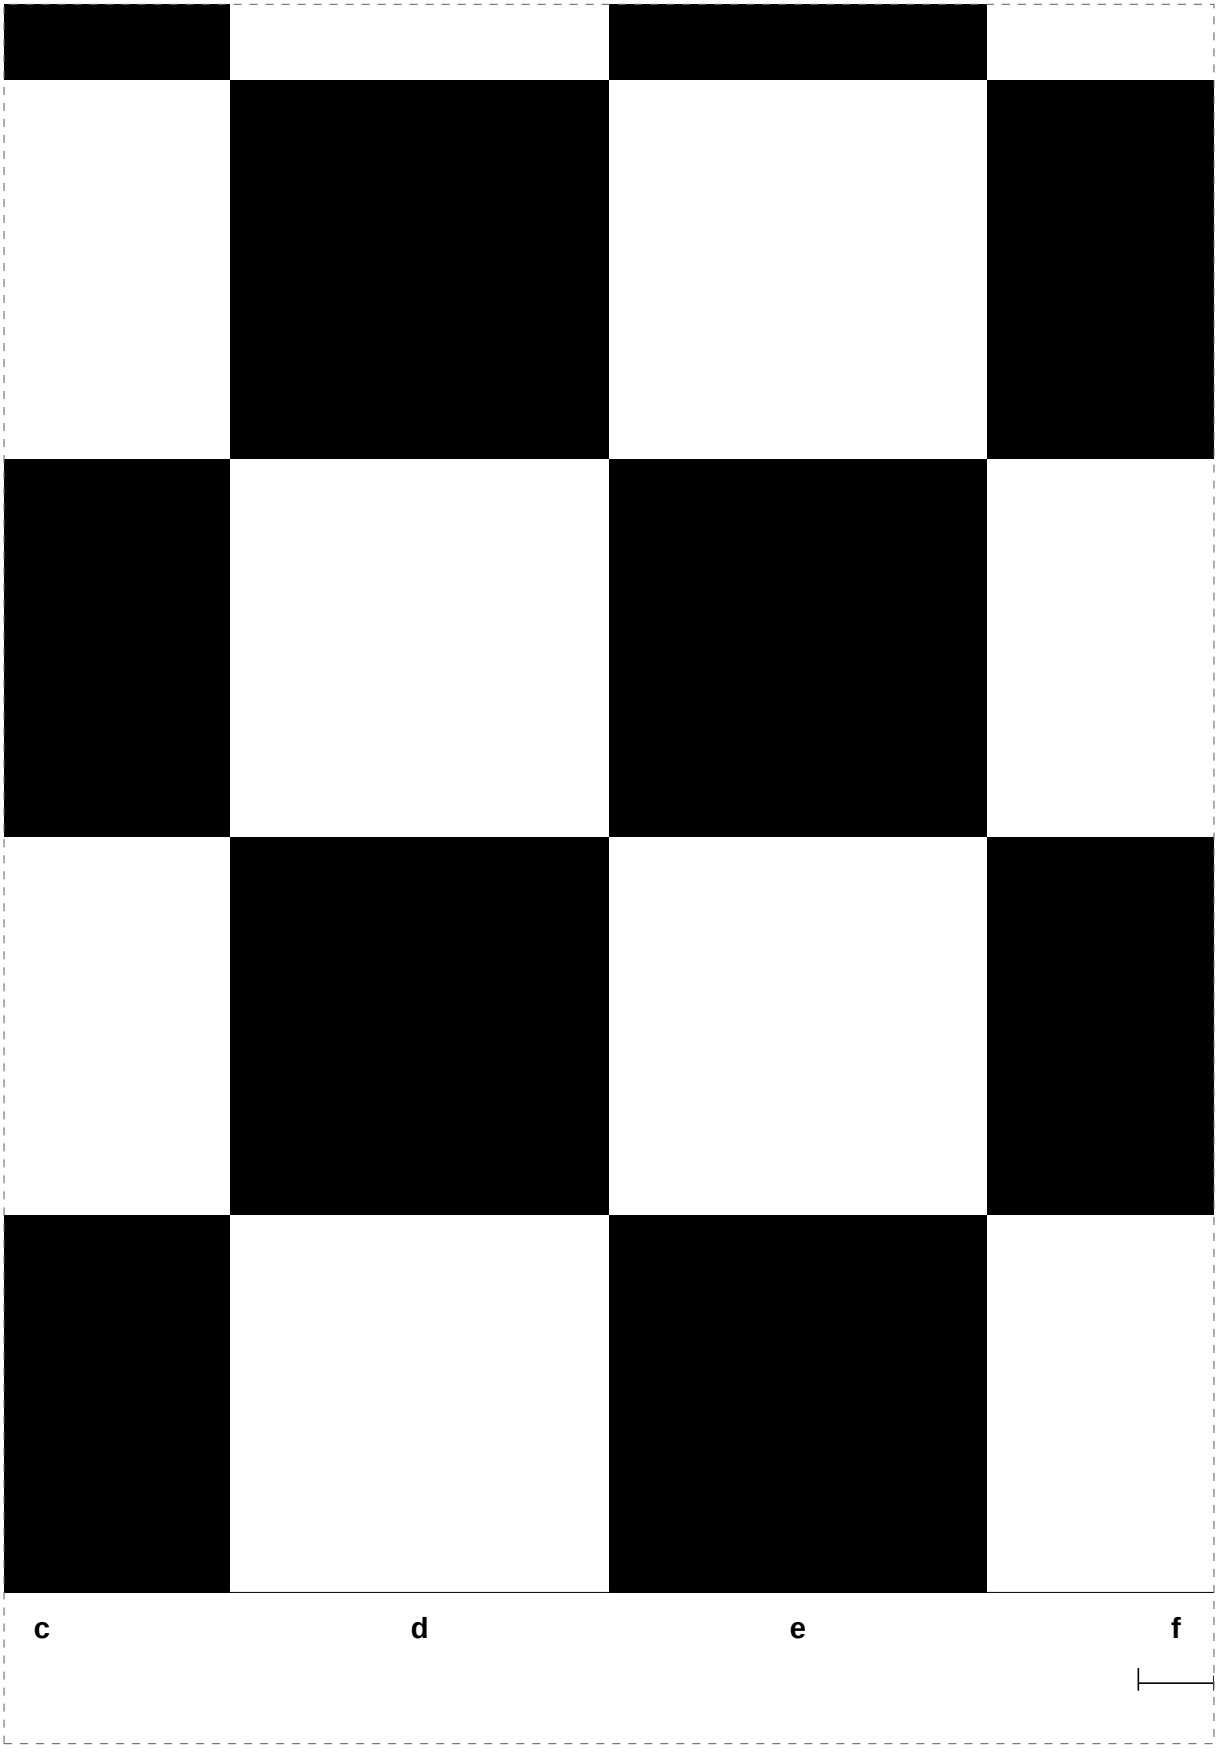
WHITE SIDE | a1 dark / h1 light | Flat matte mounting recommended

Trim dashed border; overlap matching tiles by 20 mm.

Use assembly map on page 2. Verify a square measures 50 mm.

CHESSBOT / TILE B2 / TOP ^

A4 portrait | Actual size / 100% | No Fit / Shrink

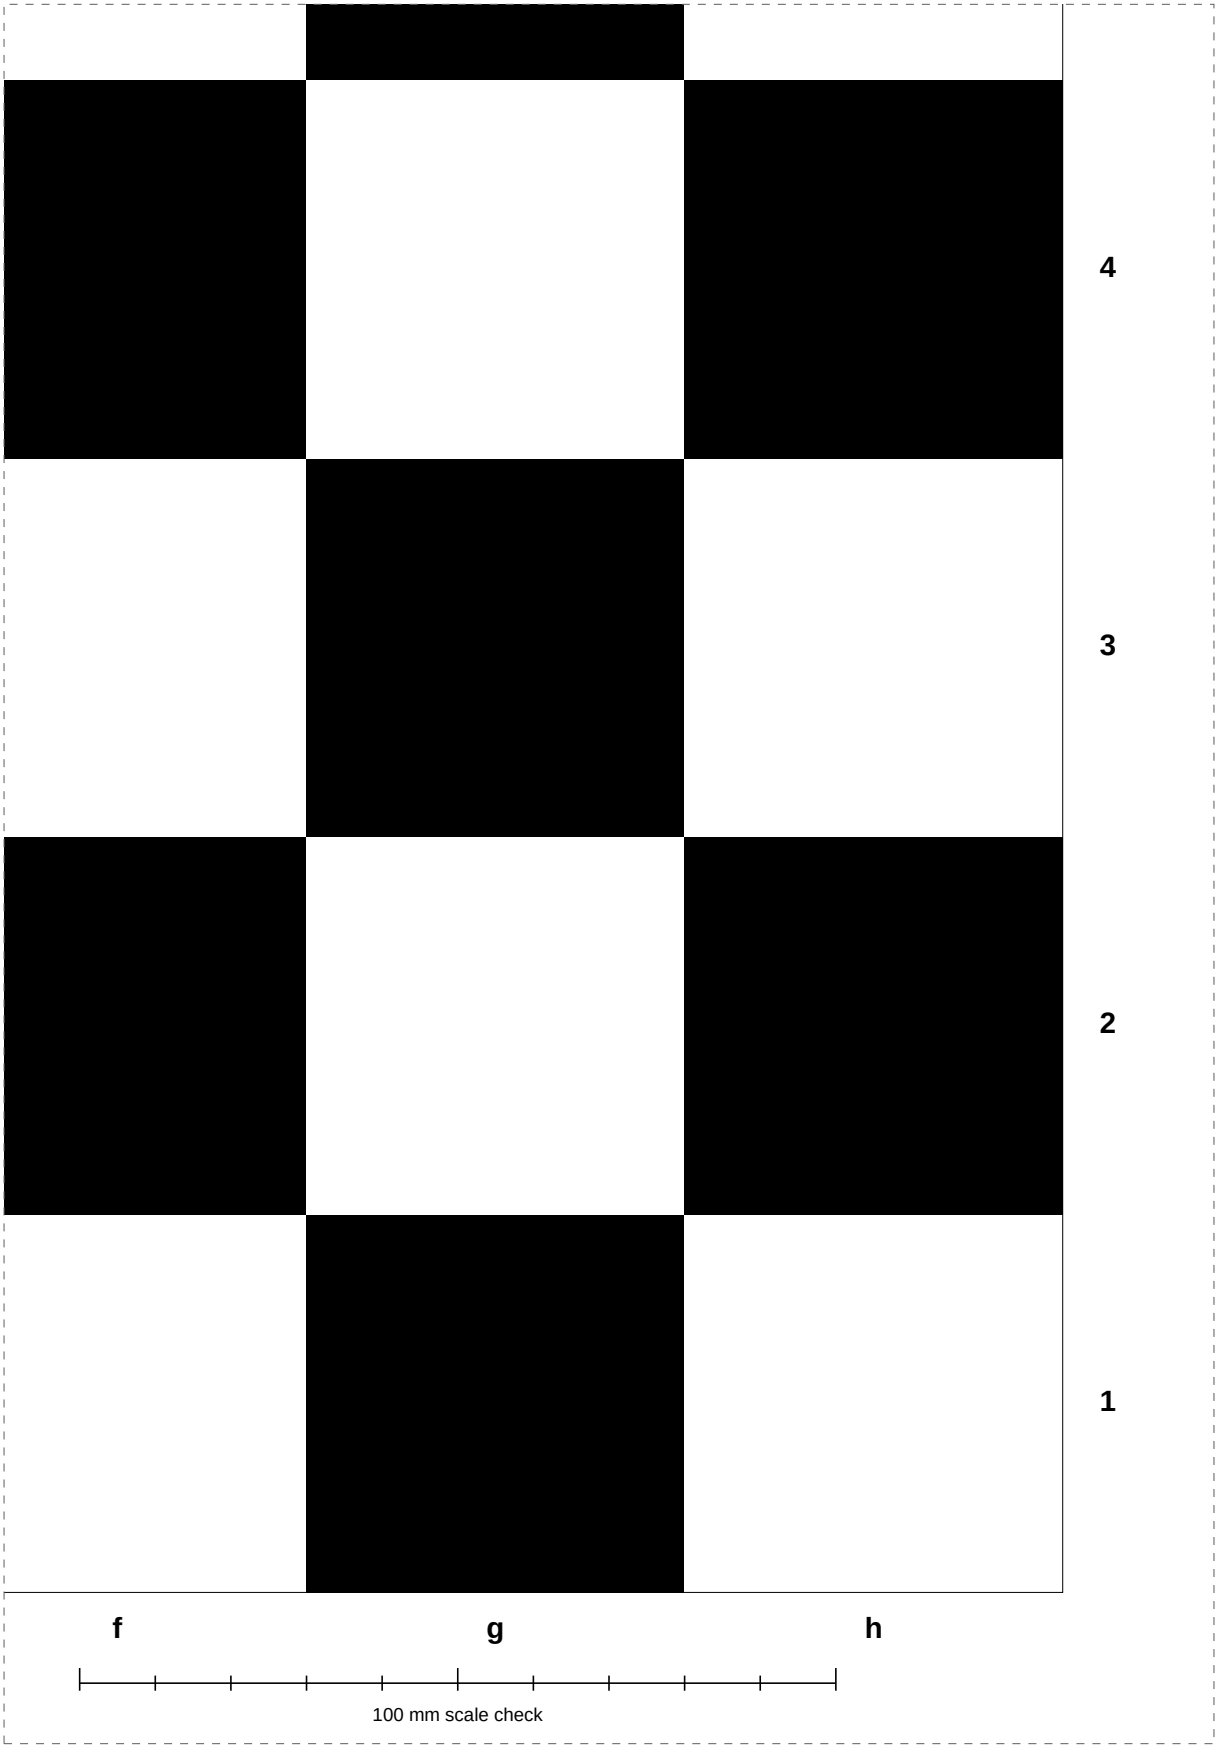


Trim dashed border; overlap matching tiles by 20 mm.

Use assembly map on page 2. Verify a square measures 50 mm.

CHESSBOT / TILE B3 / TOP ^

A4 portrait | Actual size / 100% | No Fit / Shrink



Trim dashed border; overlap matching tiles by 20 mm.

Use assembly map on page 2. Verify a square measures 50 mm.
